SUPPLEMENTARY INFORMATION: In the October 14, 2014, *Federal Register* (79 FR 61596), GIPSA requested applications for designation to provide official services in the geographic areas presently serviced by Farwell Southwest, Jamestown, Lincoln, Midsouth, and Sioux City. Applications were due by November 13, 2014.

The current official agencies- Farwell Southwest, Jamestown, Lincoln, Midsouth, and Sioux City were the only applicants for designation to provide official services in these areas. As a result, GIPSA did not ask for additional comments. On January 2, 2015, subsequently, Sioux City purchased Central Iowa Grain Inspection Corporation (Central Iowa) and Sioux City asked GIPSA to amend their designation to include Central Iowa's geographic area. GIPSA reviewed the proposed amendment and determined that Sioux City met all of the requirements specified in 7 CFR §800.196(f)(2) to amend their geographical area.

GIPSA evaluated the designation criteria in section 79(f) of the USGSA (7 U.S.C. 79(f)) and determined that Farwell Southwest, Jamestown, Lincoln, and Midsouth are qualified to provide official services in the geographic area specified in the *Federal Register* on October 14, 2014. This designation to provide official services in the specified areas for Jamestown, Lincoln, and Midsouth is effective April 1, 2015, to March 31, 2018. This designation action to provide official services in the specified areas for Farwell Southwest is effective April 1, 2015, to March 31, 2017.

Sioux City's designation is amended to include the additional geographic area previously designated to Central Iowa. Sioux City's designation for the following amended geographical area is effective April 1, 2015, to March 31, 2017.
